

eLink Documentation

1a. User registration:

Step 1: Open the eLink esusu mobile app

Step 2: Tap “Register today” on the homepage slider and follow the easy steps to register.

 A screenshot of the eLink esusu mobile app's registration screen. At the top, there are social media icons for Facebook, Google, LinkedIn, Twitter, and YouTube, followed by a 'Menu' button. Below this is a 'Secured by OneAll Social Login' badge. The main heading is 'Register'. There is an 'Email address *' label above a text input field. Below the input field, it says 'A password will be sent to your email address.' Further down, a paragraph states: 'Your personal data will be used to support your experience throughout this website, to manage access to your account, and for other purposes described in our [privacy policy](#).' At the bottom of the form is a 'Register' button. The app's bottom navigation bar is visible at the very bottom, showing icons for a user profile, search, and a notification bubble.
